

## How to create: Paper Christmas Bauble

Bauble size: 7 cm diameter

*For cricut machine (estimated time : 45 mins)*

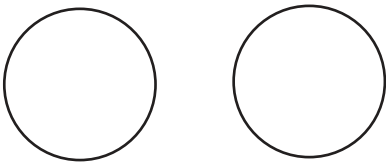

*For hand cut (estimated time : 1 hour 30 mins)*

- 
- Materials you will need:**
1. Paper size: A4; 160 - 300 gsm (2 sheets) in colours of your choice
  2. Scissors
  3. Pen knife
  4. Ruler
  5. Glue (preferable with a pointed tip) / doubled-sided tape
  6. Printer
  7. 20 cm elastic string
  8. 20 cm satin ribbon
- 

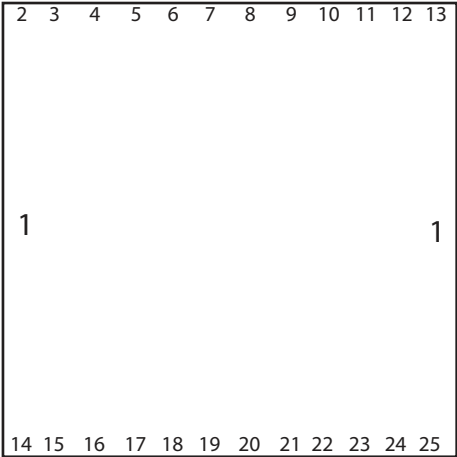

- Steps:**
1. **Print** template to scale.
  2. **Cut** out the template.
  3. To create the ornament **core**, **cut** out template B, and roll the edges together by matching number 1.
  4. **Create** a hole in the middle of template A (**core** lid) for the ornament loop.
  5. **Thread** a string through template A (**core** lid) and tie a knot.
  6. **Place** template A (core lid) over the 2 circular ends of template B and ensure the string is inside the core.
  7. To create the swirls on the ornament, take each paper strip (template C) and match its number on the **core**. **Glue** the paper strip to the core only when the number matches.
  8. **Tie** the satin ribbon into a bow at the base of the string.
  9. Hang your ornament on the Christmas tree.
