Christmas Ornament size: 10cm diameter

*For cricut machine (estimated time : 15 mins)*

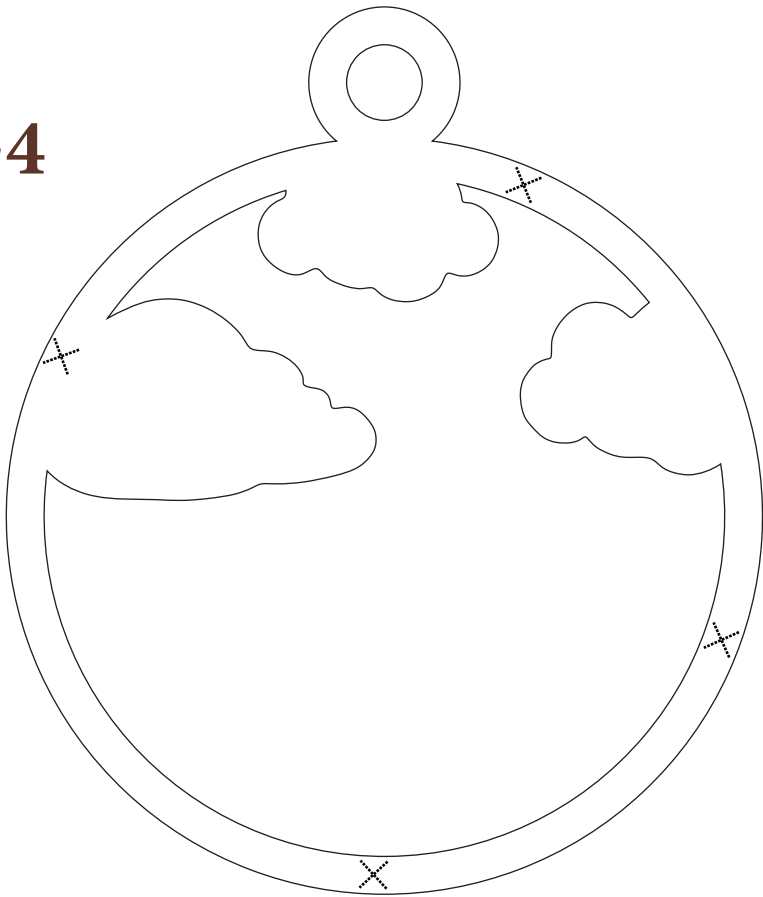

*For hand cut (estimated time : 1 hour)*

- 
- Materials you will need:**
1. Paper size: A4; 150 - 200 gsm (3 sheets ) in colours of your choice
  2. Scissors
  3. Pen knife / Utility knife
  4. Double-sided **foam** tape
  5. Printer
  6. 20 cm ribbon
- 

- Steps:**
1. **Print** template to scale.
  2. **Cut** along the bolded lines of the 4 templates using scissors.
  3. **Assemble your ornament** by sticking the double-sided foam tape on “X” of each circle frame.
  4. Layer to create depth and carefully attach your cut-out circle frames on top of each other.
    - #1 on top of #2 (set A)
    - #3 on top of #4 (set B)
    - set A on top of set B
  5. Once you have created your ornament, **thread** a ribbon through the top ring and **tie** a ribbon. Now, you can hang your impressive creation!
